

# Building the NSDL Reflections on the Impacts of Collaboration on Research and Development

Join us in Collecting and Synthesizing the NSDL Community's Stories about Building the NSDL

Write your Reflections on the NSDL

Make comments, respond to reflections or others' comments

<http://nsdlreflections.wordpress.com/>

## Guiding Questions

### NSDL and Your Project

- How was your project influenced by being part of highly collaborative program?
- What practice - based lessons have you learned?
- How did the NSDL influence your project and vice versa?
- Where has participation in the NSDL taken you, e.g., new opportunities, new collaborations?

### The Nature of the NSDL

- What do you see are the main goals of the NSDL?
- How has your vision of the NSDL changed?
- What are NSDL's successes? Failures? Where should it head in the future?
- How has the NSDL grown and changed over time?
- What were the events that hindered or helped the NSDL progress towards its goals?
- What are the important "lessons learned" that are important to share with others embarking on similar large collaborative projects?

For more information on how you can participate, contact:
